The Lives & Legends of Texas Jews

A Photographic History

By Ruthe Winegarten and Cathy Schechter Rabbi Jimmy Kessler, Consulting Editor

This exciting visual history, sponsored by the Texas Jewish Historical Society, sweeps the state from the Rio Grande to the Red River with over 500 photographs, most never before published. From pioneer days to the present, the struggles and triumphs of a proud people are captured in an absorbing narrative. Texas Jews helped build the state's great institutions—schools, synagogues, and symphonies. Their collective achievements, documented for the first time, are impressive. From the Naked Lady of Nacogdoches to Nobel Laureates, from Diamond Bessie to Dr. Sigmund Burg, from Coonskin Cohen to Kinky Friedman, the stories of hundreds of individual Texas Jews stir the imagination. *Conquistadores* and club women, pioneers and politicians, midwives and merchant princes, peddlers and circuit riding rabbis are all here in this groundbreaking and gripping work.

Texas Jews have forged a proud and significant legacy for us all in a fascinating and colorful addition to Texas history.
