URGENT REQUEST!

**Updates needed for 2020-2022 TJHS Membership Directory
no later than April 20, 2020!**

The 2020-2022 TJHS Membership Directory will be mailed in May 2020 to all TJHS members.

To make sure all information is correct in the new Directory, please review your information contained in the current 2018-2020 TJHS Membership Directory. If your information needs to be updated, corrected, or added, please inform TJHS as soon as possible.

If there is no response to this request by April 20, then the information in the 2018-2020 Directory will be included in the new 2020-2022 Directory.

Send corrections to Marc Wormser, TJHS Membership Chairman:

What we are asking All TJHS Members to do ASAP

1. Look at the current 2018-2020 Directory and find your name in the **Alphabetical Listing AND State/City Listing**. In both listings,
 - Are your mailing address, email address, and phone number current and spelled correctly?
 - Do you wish to add or delete any information in the new published Directory?
 - Send any updates or corrections to Marc Wormser.
2. **If you are a new member, not currently listed in the current Directory, or do not have a current Directory**, please send to Marc Wormser information you want published in the new Directory, including:
 - Full name(s),
 - Full mailing address and email address, and
 - Telephone number.
3. **If you prefer not to have your name and contact information published** in the Directory but contained in the TJHS membership database only, please inform Marc Wormser.
4. **If you prefer that just your email address or telephone number not be published in the Directory**, please indicate to Marc Wormser.

IMPORTANT NOTE TO MEMBERS: TJHS needs to have current information in its membership database with your email address and telephone number. This is to ensure you receive email messages sent to the TJHS membership and for TJHS to communicate with you regarding events, dues, changes of database information, or notifications as to when you may be away for a length of time so that the TJHS News Magazine does not get returned as "Undeliverable or Unable to Deliver."
